Pending write-ups

- **#6 Golden Grain Inn** — party is sleeping here tonight. Proprietor + all regulars are controlled.
- **#21 Temple of Chauntea** — two clerics controlled; scaly climbers on the walls; necromancer desecration history.
- **#25 Slumbering Serpent** — first-night inn; Ollwin & Belba; grapes from farm #22.

Locations

1. Pleasant Farmhouse and Barn		Visited
DM • Nothing beyond what the party has seen.	PARTY KNOWS • Wooden house, flower gardens, small barn, ~dozen goats. • Teenage girl churning butter ran inside. • Many figures watching from behind closed curtains. • Hewitt Twaine (presumed patriarch): polite but quiet. • Town has changed; he doesn’t know why.	
2. Constable’s Quarters		Unvisited
DM • Square wooden building, heavy shutters. Doors open; nobody visible from outside. • CULTISTS. Constable Grover Ruskadal — cult 8 months — does all the talking. • Donacan Allard and Hulbar Onfre are visiting. • They will intimidate the party into leaving town. • They claim to know about the attack on the blacksmith, who they say is barely holding it together but keeps to himself. • If the party goes to the GRAVEYARD (#29), the fight with the constable and his men happens THERE.	PARTY KNOWS • Haven’t visited.	

3. Empty Barracks		Unvisited
DM • Empty building that looks like barracks. • If asked: sleeping quarters for caravan guards; unused right now.	PARTY KNOWS • Haven't visited.	
4. Dairy Farm		Visited
DM • Nothing beyond what the party has seen.	PARTY KNOWS • Clean whitewashed house and barn; several cows. • Three little girls; oldest herded them inside. • Kor'raxia knows the family; introduced Nowell Graven. • Banderhob = old kids' ghost story; he won't call them liars. • Recommends they leave town. People vanish and only sometimes return. • Took in Marty (orphan, 10). Household: wife, mother-in-law, 5 daughters.	
5. Weaver's Shop		Unvisited
DM • New building; spinning-wheel + loom sign. Bell on the front door. • Galen Weaver and wife: young, newly married, just moved to Orlane. Friendly. • Shop in front, live in back. He looms; she spins. Clean but chaotic piles of wool/yarn/cloth. • Think neighbors are strange and aloof. • Evening + lingering talk → they offer wine. • Talk goes further → Golden Grain Inn is odd; stay away.	PARTY KNOWS • Haven't visited.	
6. Golden Grain Inn		Staying overnight
DM • A LOT is going on here. FULL WRITE-UP PENDING. • Elves know: proprietor AND all regulars are mind-controlled by the cult. • Kenton Miller (#26) sees late-night activity from across the river. • Ramne trusts the party LESS because they stayed here.	PARTY KNOWS • Large wooden inn; wheat on eaves; sign = wheat + beer pitcher. Paint peeling. • Many people have spoken oddly of it. • Maki spied night 1; saw 2 high elves doing the same. Confronted them: secret mission, suspicious of the inn, don't trust her. • Followed them to the new cottage by the mayor's, then stopped. • Patrons distant; no liveliness; dim oil lamps, no fires. • Keeper friendly. Food bad, beer flat, everything expensive. • Boys one room, girls the other.	
7. Jeweler and Moneychanger		Unvisited
DM • Small sturdy building; iron-banded doors/shutters. Open by day. Sign: gem ring. • Haskali Ull serves travelers Heartlands ↔ Ithenvale ↔ High Piedmont. Business down this year. • Locked tight after dark. • Lives here with overbearing wife + 2 guards: Erroll Rocktyn and Wylle Dunn. • WYLLE IS A CULTIST waiting to betray Haskali. • Buys the party's gems for 36 gp. • Office: metal box of money. Display: circlet, chain, 2 rings. • Bedroom trapdoor → locked chests + POISON NEEDLE. Key around Haskali's neck.	PARTY KNOWS • Haven't visited.	

8. Livery Stable		Visited — horses here
DM • If they talk to Kilian again: general-store neighbors vanished a couple months ago, gone nearly a fortnight, then the whole family came back. “Didn’t even leave one of the boys to mind the store!” (This is #12.)	PARTY KNOWS • Run-down peeling house; much nicer stable. Horses stabled here. • Dirty boy greeted them; mother yanked him inside. • Kilian Gade is well-off; spends it on the stable. • Wife seemed afraid (“mealtime”). • Kilian: strange times; forces at work; can’t say what. • Suspicious of the 2 strangers by the mayor’s. • Stay at the Slumbering Serpent, not the Golden Grain.	
9. Small Cottage (elves)		Seen — not entered
DM • Dorian and Lylwillan. Ex-soldiers; fought with Mayor Ormond in the troll wars. • Mayor invited them to find out what is going on. • They KNOW a cult is controlling minds: 2 temple clerics; Golden Grain proprietor + ALL regulars; the constable; the blacksmith. • After the blacksmith fight they WILL trust the party. Won’t join; will share information. • Cabin: small metal box of SLEEP GAS. Open it → everyone but Maki out 3–18 hours. Letter + gold inside.	PARTY KNOWS • New painted cottage, heavy curtains. 2 elves live here. • Maki confronted them: hinted at a mission, didn’t trust her. • Town doesn’t trust them. Mayor says they’re harmless.	
10. Mayor’s Residence		Visited
DM • Mayor Zakarias Ormond is a former soldier. • Has a BODYGUARD who stayed hidden during the party’s visit.	PARTY KNOWS • House far back, screened by elms. Large, new paint, carved-column porch. • Ormond: polite, curious, talks for hours, asked a lot about the party. • People vanish, return changed, or don’t return. • Knows the elves; says don’t worry. • Blames the old hermit in the grove west of town. • Named Vilma Merridie oldest in town; says she’s harmless. • Carpentry shed out back with elaborate carvings.	
11. Tailor Shop		Unvisited
DM • Sign: crude needle through the seat of pants. • Ramshackle: loose shutters, missing shingles, rotting walls. • Myron Tweed: meek, hunched, elderly, never married. • Terrified of strangers; answers NO questions. • Only 1 person in the shop at a time; nervous the whole visit.	PARTY KNOWS • Haven’t visited.	
12. Village Store		Visited — Ragnar
DM • Shopkeeper’s wife + 3 sons were ready to AMBUSH Ragnar if he caused trouble. • ALL CULTISTS. • Kilian’s unused hook: this family vanished ~2 months ago, gone a fortnight, then all came back.	PARTY KNOWS • Well-kept shop: farm tools, cookware, trade goods. • Ragnar asked what was going on. Shopkeeper claimed ignorance and offered wine. Ragnar declined.	

13. Randown Farmhouse		Unvisited
DM - House falling apart — no front door, porch steps, or roof supports. Barn worse. Many chickens. - Father + son are CULTISTS. - Taken 6 months ago with the wife. She could not be charmed and never returned — presumed dead. - Rude and uncommunicative; claim they're busy. Only a poorly tended corn/oat field is visible.	PARTY KNOWS Haven't visited.	
14. Carpenter's Shop		Unvisited
DM - Solid building; saw sign. Carpenter working; tools everywhere. - He + wife are RECENT CULT CONVERTS. - Son and daughter still in the SNAKE PITS. - Older furniture exquisite; current table and latest chair are shoddy. Charm = minimum function only. - Wife watches through a hole in the house door with a POISONED LONGSWORD. Attacks if she thinks he's threatened.	PARTY KNOWS - Haven't visited. - Vilma: he made her a terrible garden bench, insisted it was good, still charged her.	
15. Blacksmith's Shop		Fought — retreated
DM - Nothing extra beyond the fight. - Elves know the blacksmith is mind-controlled. After this fight they will trust the party.	PARTY KNOWS - Came after Vilma: always a lout, now unstable. - Would talk only about his work. - A PC said he was hiding something → rage. - Sons tried to hold him, then joined. - One son KO'd; blacksmith and other son put to sleep. Party fled.	
16. Foaming Mug Inn (boarded-up)		Unvisited
DM - Large boarded-up building. Sign face-down in weeds: FOAMING MUG INN. Holes in roof. Long abandoned. - Fight >1 year ago: innkeepers vs cultists. EVERYONE in it died, including the owners. Town doesn't know what happened. - Break-in: rotten musty smell, worse toward the basement. - Basement: one big room — rotten food + 3 GOOD wine kegs. - Two side rooms: empty fruit cellar; tool room FULL OF TROGS. - The trogs are the smell, not the food. - Beating a band of trogs helps Ramne (#27) trust the party.	PARTY KNOWS Haven't visited. Don't know the name.	
17. Decrepit Farmhouse and Collapsed Barn		Unvisited
DM - Abandoned. Tall weeds. Doors and shutters swing free. - Small house: 2 bedrooms + communal room. - Clothes, utensils, moldy food scraps — left in a hurry. - Family of 4 lived here. None could be corrupted. All were FED TO THE CROCODILES AND TROGS.	PARTY KNOWS Haven't visited.	

18. Farmhouse and Barn (widow + 4 sons)		Unvisited
DM - Moderately prosperous. Young man chopping wood outside. - Flower beds once beautiful; now overgrown and wilted. - CULT. Widow + 4 sons; active over a year. - Husband died before the cult. Farm was well run until they were corrupted. - At night they HELP TROGS haul captives out of Orlane in the farm cart. - If she gets suspicious: one son TAILS the party; she REPORTS to the clerics.	PARTY KNOWS - Haven’t visited. - Vilma never liked them. Lads come and go at all hours of the night.	
19. Farmhouse w/ Outbuildings (Vilma’s neighbors)		Unvisited
DM - PIG FARM (the smell gives it away). Also chickens, rooster, turkeys. - Small boy on porch watches, runs inside, fetches father. - Father answers NO questions. Persist → “get off my land” + CROSSBOW. - Son inside with a crossbow. Mother inside with a POISON SPEAR.	PARTY KNOWS - Vilma’s neighbors. She specifically doesn’t trust them. - Used to be nice; now suspicious of everyone, including her. - Haven’t visited.	
20. Vilma Merridie’s Cottage		Visited
DM - SECOND TALK: she saw scaly humanoids with fin-crests crossing north of her cottage and climbing the TEMPLE walls. - Blessed by Chauntea after a good life. HARM HER → CURSE.	PARTY KNOWS - Oldest woman in town. First settlers with her late husbands, before Orlane existed. - Ran farm #24; grew grapes for Ollwin (second settler; inn + winery). - Weak; sits often. Busybody. Immaculate house. Fine clothes and rings. “In Orlane? Never!” — then: stranger these last few years. - Carpenter bench. Blacksmith unstable. Farm 18 night traffic. Farm 19 turned cold. - Clerics weird; no prayers in her house. Farm 22 stopped sending their boy. 2 strangers by the mayor (didn’t say elves). Loves the mayor. - No hard proof — she’s old and she watches. - Stay at the Slumbering Serpent; Ollwin and Belba are friends.	
21. Temple of Chauntea		Unvisited
DM - A LOT is going on here. FULL WRITE-UP PENDING. - Paladin’s god. Elves know 2 CLERICS are mind-controlled. - Vilma won’t let clerics pray in her house. - Vilma’s unused hook: scaly fin-crested humanoids climbing the temple walls north of her cottage. - Clayborns (#23) helped stop a necromancer desecrating Chauntea’s saints’ bones HERE.	PARTY KNOWS - Haven’t been inside. - Vilma: clerics acting strange; she won’t let them pray in her house.	

22. Shabby Farmhouse and Barn*Unvisited***DM**

- Well used, poorly kept. Infant in the yard chasing chickens and a rooster.
- RECENT CULT CONVERTS. Still recovering from the NAGA.
- Household: husband, wife, daughter, daughter's husband, infant grandson, their son.
- Distant even when spoken to. Not hospitable. Keep questions simple and REPEAT them.
- Stores of barley, wheat, corn. Vineyard supplies grapes to the Slumbering Serpent.
- Clayborns (#23) will say these neighbors vanished ~10 days.

PARTY KNOWS

- Haven't visited.
- Vilma: they stopped sending their youngest for chores; last visit they all acted strange.

23. Prosperous Farmhouse and Barn (Clayborns)*Unvisited***DM**

- Fresh paint, solid house and barn. Two little girls in the yard; run inside if approached.
- Goat pen + immense pig.
- Alan and Marieke Clayborn + 3 children (including a newborn girl).
- Former ADVENTURERS; faithful of PELOR. Trying to farm quietly.
- Earlier this year they helped take a NECROMANCER desecrating Chauntea's saints' bones at the temple.
- Proud; will defend the farm with everything they have.
- Stocked: corn, oats, beans. 5 goats, a pig, 2 mules.
- Alan friendly but reserved. Opens up if the PALADIN is present (Pelor-folk respect Chauntea).
- Will say the captured necromancer now walks FREE with the CONSTABLE.
- Neighbors at #22 gone ~10 days — odd, but he barely knows them.
- Mentions the bedraggled hermit in the grove west of town.

PARTY KNOWS

- Haven't visited.

24. Abandoned Farm (Vilma's old place)*Unvisited***DM**

- Old, well-built house and barn. House boarded up; barn door swings free.
- Looked lived-in as recently as a few months ago.
- Everything of value gone. Section of BEDROOM FLOOR ripped up and taken.

PARTY KNOWS

- Haven't visited.
- Vilma and her late husband ran this farm; she sold it after he died and moved to her cottage.

25. Inn of the Slumbering Serpent*Visited — night 1***DM**

- There is MORE to this place. FULL WRITE-UP PENDING.
- Ollwin and Belba Cralloon. Vilma's friends. Farm #22 supplies their grapes.

PARTY KNOWS

- First night here. Uneventful. Good food and wine; lively.
- Belba called them in off the road. Ollwin served wine.
- Vilma and Kilian both steered them here.

26. Millhouse, Waterwheel, and Pond*Unvisited***DM**

- Imposing mill + smaller sheds. Toys, tools, farm gear scattered.
- Two boys stare. Youngest bolts inside. Oldest (~10) stomps up doing comic angry-adult.
- Kenton Miller + wife, 9 kids (4 adult sons, 2 younger sons, 3 young daughters).
- Kenton calls the youngest in and waits on the porch. Friendly.
- Doesn't trust neighbors after recent events (Vilma energy).
- Talks weather and work. Knows NOTHING about the cult.
- Warns off the Golden Grain — from across the river he sees LATE-NIGHT ACTIVITY there.

PARTY KNOWS

- Haven't visited.

27. Grove of Stately Elms (Ramne)*Unvisited***DM**

- Widely spaced 75' elms, 8–9' brush, narrow trail, sun through leaves.
- Far side: ramshackle 1-room hut.
- RAMNE — feeble, bent, gray-bearded hermit. 10+ years here; rarely leaves.
- Weasel WHISKERS = familiar. Ramne is a RETIRED WIZARD. Never admits class or level.
- Knows a lot about the cult from watching. HATES it.
- Will help destroy it if convinced of the party's integrity — can take WEEKS.
- MORE trust if they defeat a band of trops. LESS trust because they stayed at the Golden Grain.
- Offers to lead them to the LAIR. If they refuse him, he offers Whiskers.
- Mayor thinks THIS man is behind everything (wrong).

PARTY KNOWS

- Haven't been here.
- Mayor thinks the old man out here is behind the strangeness, but can't prove it.

28. The Ruined Orphanage*Unvisited***DM**

- One big room: beds, tables, kitchen. Food cellar downstairs.
- Same stink as #16 — TROGS live here.
- Beating these trops helps Ramne trust the party.

PARTY KNOWS

- Haven't been here. It is a ruin.
- Hid Kor'raxia as a hatchling from people who'd have turned her in for Ajax's reward.

29. The Graveyard*Unvisited***DM**

- Coming here TRIGGERS the fight with Constable Grover Ruskadal and his men.
- Ideal ground for the NECROMANCER to raise SKELETONS.
- Clayborns (#23) can tell the party the necromancer walks free with the constable.

PARTY KNOWS

- Haven't visited.

Quick roster

Cult / controlled (known to you)

- **Constable Grover Ruskadal** — cult 8 months. Talks. Intimidates. Fights at the graveyard with his men.
- **Donacan Allard** and **Hulbar Onfre** — with the constable at #2.
- **Wylle Dunn** — jeweler's guard at #7; waiting to betray Haskali.
- **Village store family** (#12) — shopkeeper, wife, 3 sons. Ambush ready. All cultists. Vanished ~2 months, returned after a fortnight.
- **Randown farm** (#13) — father + son. Wife un-charmable, presumed dead.
- **Carpenter + wife** (#14) — recent converts. Kids still in the snake pits. Poisoned longsword in the doorway.
- **Blacksmith + sons** (#15) — mind-controlled. Party already fought and fled.
- **Widow + 4 sons** (#18) — active a year. Night cart for trog prisoner runs. Will tail and report to clerics.
- **Farm #22** — recent converts, still raw from the naga. Distant, need simple repeated questions.
- **Golden Grain** — proprietor + all regulars controlled (elves know).
- **Temple** — 2 clerics controlled (elves know).

Hostile / dangerous, not fully labeled

- **Farm #19** (Vilma's neighbors) — pig farm. Crossbows + poison spear if the party persists.
- **Foaming Mug #16** and **Orphanage #28** — trogs. Same stink.
- **Decrepit farm #17** — family of 4 fed to crocodiles and trogs.
- **Graveyard #29** — constable fight + necromancer skeletons.
- **Necromancer** — captured earlier this year; now walks free with the constable (Clayborns can say this).

Likely friends

- **Nowell Graven** (#4) — kind; housing Marty.
- **Galen Weaver + wife** (#5) — new in town; will warn off the Golden Grain.
- **Kilian Gade** (#8) — horses; second-talk hook about the store family.
- **Dorian & Lylwillan** (#9) — will trust after the blacksmith fight; share info; won't join. Sleep-gas box in the cabin.
- **Mayor Zakarias Ormond** (#10) — former soldier; hidden bodyguard; wrongly blames Ramne.
- **Vilma Merridie** (#20) — best gossip in town. Blessed by Chauntea. Harm = curse. Unused trog-on-temple-wall sighting.
- **Alan & Marieke Clayborn** (#23) — ex-adventurers, Pelor. Necromancer + constable hook. Opens up for the paladin.
- **Ollwin & Belba Cralloon** (#25) — first-night hosts. Write-up pending.
- **Kenton Miller** (#26) — Golden Grain night traffic witness.
- **Ramne + Whiskers** (#27) — retired wizard. Path to the lair. Trust is slow.
- **Haskali Ull** (#7) — not cult; his guard is. Buys gems 36 gp.
- **Myron Tweed** (#11) — terrified tailor; useless as a source.
- **Kor'raxia** — hatchling hidden at the orphanage from Ajax's bounty. Knows the Gravens.

Live situation

- Party slept at the **Slumbering Serpent** night 1, then chose the **Golden Grain** (boys / girls rooms). That hurts Ramne's trust.
- Horses are at **Kilian's**. Marty is at the **dairy**.
- They fought the **blacksmith** and fled — elves will now talk.
- Constable knows about that fight and will use it.
- Mayor pointed them at the **wrong suspect** (Ramne).
